CELEBRITY HOST DEBI MAZAR

This lithe, attractive, raven-haired actress possesses piercing cobalt eyes and a brash attitude that has helped make her an increasingly popular character player in numerous films, several music videos, and on television.

She made her feature film debut in Martin Scorsese's *GOODFELLAS* as Ray Liotta's junkie mistress. As the canny, outspoken Hollywood publicist Shauna in the freewheeling HBO comedy series *ENTOURAGE*, she has found a regular TV role perfectly suited to her "New Yawk" style.

President's Letter 2008

The Femmy is the venue for the Intimate Apparel industry to recognize and honor the individuals and companies that inspire and lead us to new levels of achievement! This evening is especially meaningful as we celebrate the 50th Anniversary of the Underfashion Club! 50 years of dedicated service is a milestone under any circumstances! In today's world of global change, the longevity of the UFC is truly a remarkable accomplishment!

As a fundraising event, the Femmy Gala serves a dual purpose: creating an environment for business and social interchange, and generating the monies that enable us to fulfill our mission to "Support education today for a better industry tomorrow." The Underfashion Club provides financial support to high school and college students through our extensive scholarship and internship programs. Befitting our emphasis on the students who will be the future of the industry, the Femmy Gala is hosting, for the fifth consecutive year, a design contest amongst students from the Fashion Institute of Technology. We thank **Calvin Klein Underwear** for generously sponsoring this year's contest.

There are many aspects to organizing the Femmy and raising the substantial funds with which the Underfashion Club provides scholarships, internships and awards to the students who will be the next generation of the IA industry. Though it is the honorees who will deservedly receive the Femmy Awards, we are in fact paying tribute to our entire industry. Ours is a community of caring, and that spirit is exemplified by the dedicated members of the Underfashion Club who contribute their time so willingly!

In the fashion industry, Innovation is intrinsic to our growth and future! Bearing this in mind, the Underfashion Club initiated the Innovation Femmy contest three years ago. Congratulations to **Stretchline Holdings**, selected as the 2008 Innovation Award winner by the members of the Underfashion Club! Congratulations also to the two other finalists in the contest: **Fashion Forms and Pink/Victoria's Secret!**

President's Letter (continued)

Since we are celebrating the 50th anniversary of the UFC, I believe it is appropriate and important to acknowledge three ladies who have devoted many years to the industry and the UFC: **Roslyn Harte, Norma Reinhardt** and the late **Sheila Solomon**. Norma and Sheila co-chaired the Femmy for more than a decade and became synonymous with the event. Their tireless energy and attention to detail were intrinsic to the success of the Femmy, and it is to their great credit that the Femmy Gala has become an industry tradition! Roslyn has been a major force within the UFC for the last 30 years. Her dedication and energy are legendary and an inspiration to all of us on the Board! These wonderful women have been instrumental in the success of the Underfashion Club! Thank you, Norma, Roz and Sheila!

I would like to extend my heartiest congratulations to all of the Femmy Honorees, and a personal thank you to the Officers and Directors of the Underfashion Club and to all of the members who have greatly contributed to this evening's success!

CLOSING

ELLE MACPHERSON

Confirming her as one of the most recognizable supermodels of the world, Time Magazine ran a cover story on Elle Macpherson's career entitled *The Big Elle* in 1986. Born in Sydney, Australia, Elle has appeared on a record five covers of the *Sports Illustrated Annual Swimsuit Edition*. She also produced her own worldwide sell-out calendars in 1992, 1993 and 1994.

In 1990 Elle launched her lingerie collection *Elle Macpherson Intimates* fast becoming Australia's leading fashion lingerie label, repeating the success in the United Kingdom in 2001 and the United States and Canada in 2005. Today the brand is one of the most highly recognizable lingerie brands in leading department stores in all markets.

In 2005 Elle became the ambassador for *Breakthrough for Breast Cancer* in the United Kingdom and is currently the ambassador for the UNICEF UK *Baby Friendly Initiative*.

Our Vision

To be the global innovative partner in performance enhancing apparel products, a boundary-less organization, committed to the environment with a passion to be the Number One employer, supplier and BRAND.

Our History

Stretchline is a three-way joint venture between Stretchline (UK), MAS Holdings (Sri Lanka) and Brandot International Ltd (USA) that began in 1996. Stretchline UK, the technical partner, is a product of the merger of two elastic giants Charnwood Elastic Group (UK) and Tubbs Elastic Group (UK) that can boast of over 150 years experience in the industry.

Since the inception of our Sri Lankan factory, a state-of-the-art unit that includes a world-class dye house, we have firmly established ourselves as the world's leading brand of narrow performance fabric for intimate and active apparel.

With factories in Sri Lanka, China, Indonesia, Mexico, USA and the UK, supported by strategically positioned marketing offices in the US, the UK and Hong Kong, our reach is truly global.

Global Research & Innovation Centre

Our Global Research & Innovation Centre has given us a compelling edge in the industry. The phenomenal growth we have achieved in the past eleven years can be attributed to our innovations and brands – Locksafe, Fortitube, Bondelast, Stay 4 Sure and most recently Ecolastic.

Our Research & Innovation team continues to experiment with machinery, new yarns, dyes and finishes in search of the next generation of performance enhancing apparel products. Our state-of-the-art centre is also home to world-class developers, engineers and designers who are equipped with the most innovative technology available. In many aspects, our Global R&I Centre epitomizes the "innovation" that is the very essence of Stretchline.

Scholarships Awards Internships Grants

The Underfashion Club, Inc. has just concluded another successful year of providing scholarships and internships for students interested in pursuing careers in Intimate Apparel. The Club works with industry leaders to develop and strengthen ties with both the Fashion Institute of Technology and the High School of Fashion Industries. Students from these Institutions have been the primary beneficiaries of the Club's considerable financial support of "education today for a better industry tomorrow."

The Underfashion Club is dedicated to the belief that the future depends on attracting and educating young people to the opportunities in our industry. As a means to this end, our scholarships provide substantial monetary support to students who pursue college-level, intimate apparel-related courses. Our internship program provides college students with the opportunity of working as interns for intimate apparel manufacturers, suppliers and retailers while continuing their education. As a result of this program, several graduates have entered our industry. It is our expectation that companies will hire more students based on the success of the current endeavor.

The Femmy Gala is the fundraising vehicle, which enables the Underfashion Club to support its extensive Scholarship, Awards, and Internship programs. The Club has also been fortunate in attracting corporate sponsors for scholarships. Last year, FIT students benefited from the largess of companies such as Wacoal International Corp., Fashion Forms, Inc., Regina Miracle International, Invista and Century 21 Associates Foundation Inc. We are especially grateful to Calvin Klein Underwear for underwriting this year's Femmy student design contest.

If you or your company would be interested in sponsoring a paid intern or additional scholarship opportunities, we would be most pleased to hear from you.

Please contact the Underfashion Club Office at 845-758-6405
